

ACM 20

Condenser microphone

The ACM 20 is a condenser microphone for speech and song with a natural and even sound quality even when the speaker is at a variable distance to the microphone. The feedback is securely reduced when used with voice transmissions or song. Ambient noises are strongly minimized. The microphone is made out of a robust metal casing and appears elegant and unobtrusive.

Phantom powering	24-48 Volt
Frequency response	60-18,000 Hz
Directivity pattern	cardioid (standard)
Deviation of nominal curve	± 1 dB
Sensitivity	15 mV/pa
Electrical impedance	200 Ohm
Rear damping	20 dB
Connection	XLR
Surface	nickel plated/black
Length	140 mm
Weight	100 g
Special colours	NEXTEL grey/white
Brand	AVE
